JOINT REPORT

Date: June 6, 2022

Time: 2:30 p.m.

Dept: SS10

Action Filed: September 19, 2014

Trial Date: TBD

1 JOINT REPORT

2 Pursuant to the Court’s Order at the April 12, 2022 continued final status conference, the
3 City of Ventura (Ventura), Casitas Municipal Water District, City Of Ojai, and the East Ojai
4 Group submit this joint report in advance of the status conference scheduled for June 6, 2022 at
5 2:30 p.m.

6 1. Mediation Status Update

7 David Ceppos, Director and Managing Senior Mediator for the Consensus and
8 Collaboration Program at Sacramento State University, has been retained as the mediator to
9 organize and conduct a structured mediation for this case. Mr. Ceppos’ water resources resume is
10 attached hereto as Exhibit A. Mr. Ceppos has conducted extensive background work with the
11 principals for four initial mediation parties, consisting of the Casitas Municipal Water District, the
12 City of Ojai, the East Ojai Group, and Ventura (Initial Mediation Parties). This background work
13 has included, without limitation, review of background material; individual, confidential
14 assessment meetings with principals for each of the Initial Mediation Parties; and preparation of
15 materials for the first in-person mediation session.

16 On May 17 and 18, 2022, Mr. Ceppos conducted a two-day mediation session with the
17 principals of the Initial Mediation Parties. A summary report from Mr. Ceppos regarding the
18 mediation session is attached hereto as Exhibit B. Mr. Ceppos has developed a plan for
19 additional mediation sessions to occur in a structured fashion throughout the stay period. Next
20 steps include another session with the Initial Mediation Parties and a subsequent session focusing
21 on de minimis users/dormant rights claimants. Mr. Ceppos is scheduling individual, confidential
22 assessment meetings with certain parties in advance of those mediation sessions. Additional
23 parties will attend future mediation sessions.

24 2. Stipulation to Conditionally Exempt de Minimis Cross-Defendants

25 Ventura and parties represented by Gregg Garrison have agreed to a “Stipulation to
26 Conditionally Exempt Certain Cross-Defendants,” which has been filed with the Court. As
27 contemplated in the Stipulation, and as described above, future sessions of the mediation will
28 focus on the negotiations of exemption categories and the exemption process, with the goal of

1 jointly presenting solutions regarding de minimis parties and dormant rights claimants to the
2 Court in the future, either as part of an overall settlement, or separately, as appropriate. In
3 response to the filed Stipulation, additional de minimis parties or dormant rights claimants have
4 contacted Ventura regarding this process, and Ventura is working on a form stipulation for other
5 interested parties to consider. Mr. Ceppos has contacted the Garrison group to schedule an
6 interview to prepare for an upcoming mediation session specific to the exemption issue. Mr.
7 Ceppos has also contacted attorney Ryan Blatz and Andrew Whitman to invite them to interview
8 to prepare for an upcoming mediation session specific to the exemption issue.

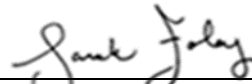

9 3. Conclusion

10 The parties to this Joint Report request that the Court schedule a further status conference
11 for early August of 2022, at which time the parties would update the Court on the status of the
12 mediation process. Thus far, the structured mediation process is progressing well, and the Initial
13 Mediation Parties are pleased with the process. It is anticipated that other parties will be
14 integrated into the structured process to build upon this progress and that the parties will continue
15 to move toward a structured resolution of this matter.

Date: May 25, 2022
To: Honorable William F. Highberger. Superior Court of the State of California, County of Los Angeles.
From: David Ceppos. Director and Managing Senior Mediator. Sacramento State, Consensus and Collaboration Program
Subject: Case No. 19STCP01176. Status Report. Structured Mediation Process

The following is a status report on the Structured Mediation Process in this case, commencing with discussions between the Casitas Municipal Water District, the City of Ojai, the City of San Buenaventura, and the East Ojai Group, "Initial Mediation Parties" (IMP). This process was allowed for by the Honorable William F. Highberger, Superior Court of the State of California, County of Los Angeles, in his ruling on April 12, 2022 to allow a six-month stay of court proceedings to allow the mediation to occur.

Mediation Process to Date

Following scope, budget and contract completion in mid-late April 2022, the Mediator conducted comprehensive review of background materials regarding the associated legal cases. Beginning on May 4 and extending to May 9, the Mediator conducted individual, confidential interviews with representative groups from each IMP and their trial attorney. Following said interviews, the Mediator provided his formal assessment and support of the initial feasibility of a mediation process and coordinated a 2-day session (Session 1) to be held on May 17 and 18, 2022. In advance of Session 1, the Mediator prepared and distributed for review and discussion by the IMP:

- Comprehensive 2-Day Agenda,
- Preliminary Draft Mediation Charter defining "rules of engagement" for a multi-interest, mediation process (i.e. roles, responsibilities, decision-making protocols, meeting guidelines, etc.)
- Preliminary Common Principles describing the proposed shared interests, values, and objectives by the IMPs

The IMP convened on the morning of Day 1 in Oak View, California. As discussed between the Mediator and the IMP's, IMP assigned mediation participants were and remain strictly defined as the following persons.

Casitas Municipal Water District	
Richard Hajas	Board Member
Peter Kaiser	Board Member
East Ojai Group	
Greg Patterson	Appointed Representative
To be determined Principal	Appointed Representative
City of Ojai	
Randy Haney	Councilmember

EXHIBIT B

Bill Weirick	Councilmember
City of Ventura	
Jim Friedman	Councilmember
Joe Schroeder	Councilmember

The following individuals are collectively approved by all IMP representatives to attend mediation sessions in a “listen only” role unless as called on by their respective representative, asked to speak by another IMP representative, or asked to speak by the Mediator.

Casitas Municipal Water District	
Michael Flood	General Manager
Kelly Dyer	Assistant General Manager
City of Ojai	
James Vega	City Manager
City of Ventura	
Miles Hogan	Senior Assistant City Attorney
Jenifer Tribo	Management Analyst

Following introductory comments and initial framing of mediation process, purpose and objectives, the mediator engaged the participants in a sequence of discussions on Day 1 about:

- Preliminary Draft Common Principles
- Preliminary Draft Mediation Charter
- Preliminary Watershed Enhancement Project (WEP) ideas (formerly referred to as the “Physical Solution”)

Day 2 was similarly held in Oak View. Day 2 started with a recap of Day 1 outcomes, followed by continuation of discussion and presentation of more WEP. Following that, the IMP reviewed revised versions of the Common Principles and Mediation Charter (as edited by the Mediator between Day 1 and 2). Lastly, the IMP discussed the sequence and timing of next steps in the process, based on the Mediator’s confirmation that he supported and sees value in continued discussions.

Session 1 Outcomes

1. IMP unanimously ratified the Mediation Charter, thus setting forth their “rules of engagement” for the process.
2. IMP unanimously ratified the Common Principles based on 2 rounds of edits. They further voted unanimously to allow said Principles to be shared with respective governing bodies and clients (East Ojai Group), with the mutual understanding that there may be confidentiality factors to be considered and that they vest each of their IMP colleagues with the personal discretion to decide if and how to share the Principles such that confidentiality is protected as much as feasible.
3. The IMP completed their comprehensive review of existing, proposed WEP and a large suite of new, potential WEP.
4. Regarding above, the IMP unanimously directed their respective staff/consultants to immediately start sharing information about the new WEP and to create a standardized format

EXHIBIT B

to document the WEP and populate information about a list of WEP variables that they consider important to learn / memorialize.

5. Similarly related to above, the IMP directed staff to work together, inquire about, learn and then report back at the next mediation session (Session 2), a comprehensive summary of external funding sources (i.e., bids, grants, etc.) that could be applicable to the list of WEP.
6. The IMP approved the Mediator to prepare a neutral summary of the Session 1 process and outcomes to be provided to the trial attorneys and appended to their joint report to Judge Highberger.
7. Regarding Session 2, the Mediator will start coordination of meeting dates with staff ASAP and will seek for said meeting to be approximately 1 month after Session 1.
8. The Mediator will initiate contact with the several attorneys representing other parties (particularly de minimis) to schedule and conduct interviews identical to what was conducted with the IMP, and to report on initial outcomes from the IMP efforts, (based on discussion and approval by the IMP on items the mediator can feel comfortable addressing and that which he should avoid for confidentiality purposes).
 - a. Similarly, the Mediator will inform these parties that he will schedule a broader mediation session (Session 3 – Likely late July) after Session 2 has been completed by the IMP and that said other parties will be invited to participate in Session 3 and likely subsequent discussions in the mediation process leading to the September target for completion of the initial 6 month stay.
9. Ventura Councilmember Friedman will meet informally with Ventura County Supervisor Matt LeVere to start inquiry and encouragement for the County to start their involvement in the mediation process.
10. Regarding Session 2, the IMP agreed to the following as primary discussion topics (to be refined by the Mediator in the Session 2 Agenda and associated Mediation / Facilitation Plan:
 - A discussion of the term “Exempt” as relates to de minimis water users. This will be preceded in the coming weeks by the following action items:
 - Information sharing regarding water use, existing measurement and monitoring tools/methods, and documented water use / retail purchases.
 - Consideration / discussion by individual IMP to confirm and then present to the City of Ventura, desired meaning of “exempt” and associated conditions that can provide Ventura with the certainty it needs going forward.
 - Comprehensive discussion about the WEP with a focus on potential cost ranges, time frames, external funding options (as noted above), ROI (e.g. costs, water delivery, etc.)
 - Mediator report of non-attributed outcomes from interviews with other parties and implications to next steps and Session 3
 - Preliminary discussion of potential funding roles and capabilities between the IMP to implement the WEP.
 - Overall mediation strategy steps / critical path.
